Star Clipper is a modern cruise ship in every way, created for passengers who love the traditions and romance of the legendary era of sailing ships. Star Clipper is 115 metres long and carries just 170 guests in pampered comfort. Life aboard is blissfully relaxed, much like travelling on a private yacht. You'll never feel confined on Star Clipper.

Star Clipper offers spacious accommodations and expansive teak decks with ample space and not one, but two swimming pools. In fact you'll find that these ships offer more outdoor space per passenger than most conventional cruise ships.

The décor of Star Clipper is reminiscent of the grand age of sail. Antique prints and paintings of famous ships please your eye, while teak and gleaming mahogany rails are richly reminiscent of Star Clippers' proud nautical heritage.

All Star Clippers' ships feature open-seated dining in an elegantly appointed dining room. Our conventional indoor-outdoor Tropical Bar and Piano Bar and an Edwardian style library where a Bell Epoque fireplace glows with a warmth that reflects the friendliness and enthusiasm of Star Clippers' hospitable officers and crew. A truly unique cruise experience awaits you!
