

Indulge in The Luxury of Choice with Silversea’s unique 2019 European itineraries. These comprehensive journeys are unlike any others and are designed to offer more time in port, allowing you to immerse yourself in culture and experience your destination like a local.

Silversea is committed to unlocking new destinations, travelling to more ports than any other cruise line. Numerous late departures and overnight stays in iconic destinations such as Monte Carlo, London, St. Petersburg and Portofino will allow you to discover at your own pace, whilst surrounded in the ultimate comfort and luxury of your home away from home on board our intimate ship

INTIMATE LUXURY SHIPS

A luxurious cruise means many things to many people, but we feel that Silversea’s small ship cruises personify the true meaning of comfort. With just over 300 suites on our largest ships, our beautiful new flagship Silver Muse and some of the most expansive suites at sea and ample public spaces on board, there is simply no better place between sea and sky. Our ships are small enough to visit exceptional destinations and berth right in the beating heart of the destination; yet large enough to make sure that everything you could dream of from exquisite fine dining to a personal butler and superlative service is catered for? That’s real luxury.

ALL-INCLUSIVE EXCLUSIVITY

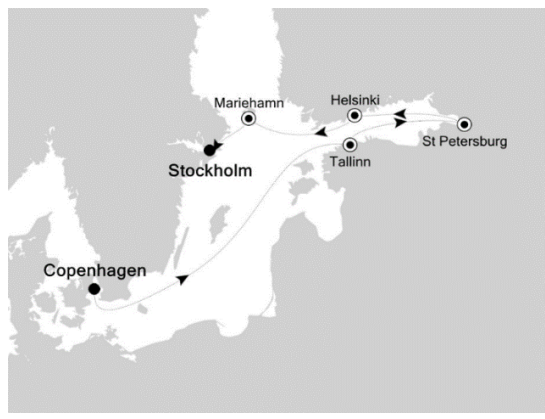

With Silversea cruises you enjoy free-flowing premium wines and spirits, delicious gourmet cuisine, in-suite dining, full butler service for every suite and of course all gratuities. Savour the peace of mind of knowing that there is no salient price-tag at the end of a wonderful night of entertainment. Which is also complimentary, by the way. Whether you long to mingle in the Med, swim with the turtles of the Galapagos or embrace the glaciers of Alaska, there is something special about knowing that this cruising is all inclusive.
