

A day on the beach - at anchor in the Moorea Lagoon

TOWERING PEAKS, BLUE LAGOONS, WHITE BEACHES AND YOU

"Windstar's Tahiti is your South Sea Islands dream - straight out of the picture books. A luxurious yacht with superb cuisine, luxurious cabins, and amazing first name service. The Windstar team know these islands intimately. Your tall ship with sails unfurled, cruises overnight so you awake to another stunning location. With a maximum of 148 passengers it really is like a private yacht! Absolutely recommended!" Gerard -Bon Voyage Cruises & Travel
